

IMPORTANCE OF CBLAC

- *Shares best practices*
- *Advocates for attorneys*
- *Provides a forum for positive changes*
- *Encourages communication about legal issues and solutions*
- *Watches out for technological advancements*
- *Explores industry trends that affect legislation and regulation*

The key to our success as a committee and as individual regulatory agencies is to communicate with each other about what is happening in our own backyards and to educate us on the future of the chiropractic profession and how it will impact consumer protection.

We Invite You!

Who Are We?

- Attorneys and legal consultants of chiropractic regulatory agencies in the United States, Canada, New Zealand, and other jurisdictions
- CBLAC is a committee of the Federation of Chiropractic Licensing Boards (FCLB).
- CBLAC was established to allow the people who advise regulatory agencies about legal issues the opportunity to discuss and share best practices.
- All board counsel are welcome and encouraged to use this forum as a resource for improving and enhancing consumer protection.

GOALS

1. Develop CBLAC as a regulatory resource;
2. Provide meaningful educational programs;
3. Seek input from the membership about the annual meeting and other pending issues in order to maximize member participation;
4. Develop an open network of communication between attorneys of chiropractic regulatory boards and agencies;
5. Enhance the leadership abilities of members;
6. Establish long-term goals to keep this committee a beneficial tool for its members.

Discuss

Possible Future Topics

- National Practitioners Data Bank (NPDB) reporting criteria and auditing
- Special ethical considerations for board attorneys
- National updates in chiropractic board regulations
- State of your state = attendees share an interesting case
- Federal and state perspectives on the North Carolina State Board of Dental Examiners v. FTC case
