It is understood that CIN-BAD's Official Actions Database is designed as a "red-flag" service to bring attention to matters of potential concern or positive status. Any subsequent actions taken as a result of this report should be based on complete information obtained directly from the licensing authority(ies) which took the original board action(s), or other authorities as noted in this report. It is further understood that information in the Official Actions Database is compiled from information provided by sources including state, provincial, territory and international licensing authorities, US Department of Health & Human Services, and others. The FCLB is not responsible for any inaccurate or incomplete information provided to it by these sources.
