

Protecting the Public

**PACE promotes
quality continuing
education by
streamlining the CE
credit approval
process for valid
providers**

**Online course
search feature
assists DCs to find
the relicensure
courses they need.**

Vision Statement:

The FCLB is the premier international resource for information and consolidated services for ensuring the safe, ethical practice of chiropractic

Mission Statement:

Protecting the public by promoting excellence in chiropractic regulation through service to our member boards

→ PACE *Streamlining CE Provider Recognition*

CE PROVIDERS

- Single, simplified application process
- Uniform criteria for approval
- Automatic course approval
- Professional credibility

→ 25 point application tests ability and willingness to comply with certain standards including:

- Instructor screening & qualifications
- Course objectives
- Quality of course materials
- Administrative framework & organization

PRACTICING DCS

- Easy course searching
- Affirmation of quality
- Connect with scientifically sound, reliable education
- Effective CE keeps DCs current

AUTHORITY

Boards retain authority over CE for licensure renewal.

Delegate CE provider oversight to PACE without compromising this authority.

PACE credit reports include a breakdown of subject hours so boards may deny credits for prohibited subjects.

MEMBER BOARDS

- Reduces paperwork and review processes, completing a single assessment on behalf of all boards.
- Recognizes providers through a single, cohesive evaluation instead of repetitive reviews
- Random and targeted courses reviews ensure PACE compliance
- Generates comprehensive, on-demand earned credit reports for boards to verify CE credits, dramatically reducing the staff time and cost involved in auditing relicensure compliance.
