Dear FCLB delegates,

It has been my pleasure to serve the chiropractic profession through regulation over the last 15 years. This has included various positions within the North Dakota State Board of Chiropractic Examiners, Federation of Chiropractic Licensing Boards and National Board of Chiropractic Examiners. With this letter, I am announcing my intention to run for the position of Vice President at our upcoming annual meeting in San Diego. It has been an honor to most recently serve as treasurer and I look forward to the challenge of the vice presidency. The Federation has a great, capable team of leaders and an amazing staff. Together, we will continue provide relevant, valuable service to our member boards enabling them to promote excellence in chiropractic regulation.

Thank you for your consideration,

Dr. Carol Winkler
Treasurer
Federation of Chiropractic Licensing Boards
