

February 7, 2022

Dear Dr. Winkler, Dr. Schwartzbauer and District IV members:

I am writing to you to announce my intent to run for re-election of my second term for the FCLB District IV Director position at the upcoming annual conference in May 2022 in Denver, Colorado.

I have recently retired from active practice on February 25, 2021 after a great career of 32 years serving my community. I continue to hold an active license in the State of Texas & Colorado. I am a Certified Chiropractic Sports Practitioner and a Fellow of the International Academy of Medical Acupuncture. I finished my term on the Texas Board of Chiropractic Examiners after serving a total of 7 years in November of 2018.

In 2020, I have had the privilege of being asked to Chair the Recognized Chiropractic Specialty Program (RCSP) of the FCLB by Dr. Boghosian and Dr. Winkler. This committee has 9 members who have been diligently working on the creation of statutory language, policies and procedures and program criteria over the last 18 months. We are hopeful to have the program completed by the end of 2022/2023 after stakeholder input.

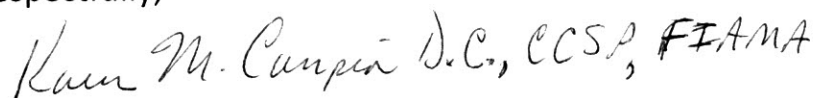

Dr. Winkler has appointed me to the Model Practice Act committee and Policy and Procedures committee as well during my first term as your District IV Director.

At the annual conference in 2021 at Greeley, Colorado, the Board of Directors elected me as Board Chair of the FCLB for a one year term through May of 2022.

I will continue to work diligently, fairly and honestly on any committee or any issue I am asked to assist with. I believe I have good communication skills, possess a good common sense approach to difficult situations and get effective results.

I am excited for the opportunity to assist FCLB achieve their goals as well as help support the members of District IV with what they need at their local, state and national levels. I would be honored if the voting members of District IV would re-elect me for my 2nd term as the District IV Director at the upcoming May 2022 conference in Denver, Colorado.

Respectfully,
