Dear Dr. Schwartzbauer and the FCLB Board of Directors:

Please accept this letter as formal notice to announce my intent to run for the position of alternate District IV Director for the FCLB during the annual meeting on May 4, 2022.

I have been active in the FCLB in several capacities since California's travel ban was lifted in 2018. Immediately following the lift on restrictions in my state, I began to get involved and it has been my pleasure to serve as a volunteer on the PACE and DEI committees. I have attended the annual meetings every year since the restrictions were lifted. Additionally, I have served as delegate and alternate delegate for both the FCLB and the NBCE. Over the last 8 years on the California State Board, I have excelled as a leader, serving as chair and vice chair and as committee chair on numerous committees.

My experience includes 8 years in the regulatory arena, promulgating regs, completely revising the continuing education regulations for the state of California which regulates over 13,000 doctors. Additionally, I have assisted with formulating board policies and worked with legislators on governmental affairs. I have served on the NBCE standard setting committee, test administration and as a part IV examiner in multiple cities.

My goals and vision for the FCLB:

- Expand the current outreach, training and messaging
- Bridge the gap between students, doctors, and regulators
- Bridge the gap between boards and increase inter-board communication and collaboration
- Improve diversity within the membership as well as within the leadership
- Increase leadership training and team building
- Maintain a good reputation with the public and stakeholders

I look to enhance the current programs, support the director and the board in their endeavor to achieve the mission and goals of the FCLB.

I am submitting my information; letter of intent and CV in a timely manner, prior to the Annual Meeting in accordance with the FCLB bylaws.

I know that my experience, skills and dedication will be a great asset to the FCLB.

I hope that I can count on your support and look forward to the opportunity to continue my service to the FCLB, the public and the profession.

Respectfully,

  
Dr. Dionne McClain, D.C.
