March 4, 2024

Dear Dr. Schwartzbauer and the FCLB Board of Directors:

It is my distinct pleasure to formally announce my intent to run for the position of District IV Director for the FCLB during the annual meeting held in May, 2024.

I have been active in the FCLB and NBCE in several capacities since California's travel ban was lifted in 2018. Following the release of these restrictions, I began to get involved in several capacities demonstrating a willingness to serve wherever and whenever it was requested and/or needed. It has been my pleasure to serve as a volunteer on the PACE, DEI and currently the telehealth committees along with being elected as the Alternate District IV Director. I have served as interim chair and chair of the DEI committee. I have attended the annual meetings since the restrictions were lifted with 1 exception due to health. Additionally, I have served as delegate and alternate delegate for both the FCLB and the NBCE. During my tenure with the California State Board, I excelled as a leader, serving as secretary, vice chair and chairperson as well as committee chair on all of the committees. I currently serve as the FCLB District IV Director and hosted the District meeting in 2023.

My experience includes 11 years in the regulatory arena, promulgating regs, completely revising the continuing education regulations for the state of California which regulates over 13,000 doctors and establishing programs and policies to improve efficiencies thereof. Additionally, I have assisted with formulating board policies and worked regularly with legislators on governmental affairs. I have served on the NBCE standard setting committee, test administration and as a part IV examiner traveling to multiple cities to gain the knowledge and experience in a variety of states.

My goals and vision for the FCLB:

- Improve and expand the current outreach and programs, training and messaging and Increase team building
- Bridge the gap between students, doctors, and regulators
- Bridge the gap between boards and increase inter-board communication and collaboration
- Cultivate an environment that is conducive and inviting to a diverse population of members and leaders
- Improve and maintain a good reputation with the public and stakeholders

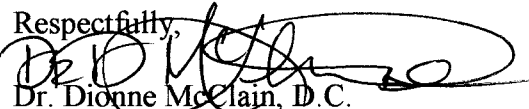

I look forward to assisting in enhancing the current programs; supporting the board in their endeavor to achieve the mission and goals of the FCLB.

I am submitting my information; letter of intent and CV in a timely manner, prior to the Annual Meeting in accordance with the FCLB bylaws.

I know that my vast experience, skills and dedication will be a great asset to the FCLB.

I hope that I can count on my district delegates' support and look forward to the opportunity to continue my service to the FCLB, the public and the profession.

Respectfully,

Dr. Dionne McClain, D.C.
California Board of Chiropractic Examiners – past chairperson
FCLB District IV Director
