

RESOLUTION # 3  
of the  
**Federation of Chiropractic Licensing Boards**

Submitted for Consideration  
by  
Task Force to Develop a Model Disciplinary Code  
Philadelphia, Pennsylvania  
April 17, 1999

**Adopting the Model Disciplinary Code as an official FCLB Publication  
for Voluntary Adoption or Adaptation  
by the Chiropractic Regulatory Boards**

**WHEREAS**, such issues as consistency in chiropractic disciplinary codes are an important part of the mission of the Federation of Chiropractic Licensing Boards; and

**WHEREAS**, the charge of the task force to develop a Model Disciplinary Code has been to formulate and recommend guidelines for the development and implementation of disciplinary rules and procedures at the regulatory board level; and

**WHEREAS**, the drafts of the working document have been presented several times to the membership in both written discussion format to secure member comments; and

**WHEREAS**, legal review of the document has also been obtained; and

**WHEREAS**, the intention of the Federation is that this always be an evolving publication, reflective of new understanding and standards in regulation; and

**WHEREAS**, the adoption, adaptation, or reference use of the document by individual member boards is strictly voluntary, now therefore be it

**RESOLVED,**

That the Federation adopt the *Guidelines for the Development of a Model Disciplinary Code* as an official publication of the Federation of Chiropractic Licensing Boards.
