

RESOLUTION
Of the
Federation of Chiropractic Licensing Boards

Submitted for Consideration
By
Association of Chiropractic Board Administrators
Seattle, Washington
April, 2000

Changing the necessary By-Laws to allow attendance of a representative from the Association of Chiropractic Board Administrators to the Federation of Chiropractic Licensing Boards – Board Meeting

WHEREAS, The responsibility for the protection of the public's health, safety and welfare lies with the licensing and regulatory authorities in each state and province.

WHEREAS, It is beneficial to the public and the boards to have up-to-date information regarding national licensure trends and new information.

WHEREAS, The Association of Chiropractic Board Administrators meet in conjunction with the Federation of Chiropractic Licensing Boards and the exchanging of information and sharing new trends is the Board Administrators responsibility along with the boards.

RESOLVED,

That the Federation officially approve the attendance of a representative from the Association of Chiropractic Board Administrators to attend its annual business meetings beginning in Seattle, Washington, 2000.
