

Resolution #4-08
Final Version

Submitted by:
Dr. William J. Rademacher

Acceptance of continuing education of the pillars of chiropractic -
science, art, history and philosophy

Whereas,

The Federation of Chiropractic Licensing Boards understands the need of appropriate chiropractic continuing education with the establishment of the Providers of Approved Continuing Education (PACE) program; and

Whereas,

Criterion 16 of the PACE program states that “...continuing education program addresses topics pertinent to contemporary chiropractic art, science, philosophy or practice,” now, therefore, be it

Resolved,

That the Federation of Chiropractic Licensing Boards highly recommends that every licensing jurisdiction approve continuing chiropractic education relative to science, art, philosophy and history without prejudice; and

Resolved,

That the Federation of Chiropractic Licensing Boards highly recommends that every CCE approved chiropractic college provide continuing chiropractic education relative to science, art, philosophy and history without prejudice.
