The George Arvidson Award for Meritorious Service to Chiropractic Regulation

The George Arvidson Award for Meritorious Service to Chiropractic Regulation was created by the Federation in 1992.

This award is the Federation's highest individual honor.

Named for FCLB Past President Dr. George Arvidson of Minnesota, it recognizes integrity, service, sacrifice, vision, and commitment in the arena of chiropractic licensure.

The selection of the recipient is made thoughtfully as we continue to keep alive the dreams of George Arvidson and his deep love for chiropractic and regulation.

Frankly, this year's Arvidson honoree doesn't really have room for another award.

The list of honors section of his CV reads like one of a man who doesn't know when to quit.

And thank goodness he doesn't.

Without his tireless efforts, familiar organizations would look very different. This man has proven himself a force to be reckoned with for his own licensing board, the FCLB, and the NBCE. In fact, I do believe they've named four tropical storms and a couple hurricanes after him.

His wide smile and down home charm disguise a sharp mind and fierce passion.

Here's to you, **Dr. Norman Ouzts of South Carolina.**
